**Re: St. Patrick's GNS, Hollypark, Foxrock  
Stand-alone Extension**

To whom it concerns,

Cleary Doyle Construction was selected at Tender Stage to become lead contractor on the above named project. We have been completely satisfied with their performance since their appointment. Their staff were diligent, thorough and professional throughout, and the completed building was very satisfactory both to us and the client. We have no hesitation in recommending Cleary Doyle Construction based on their performance relating to this project.

Yours sincerely,

**Niall D. Brennan FRIAI**
