Dear John

I would like to thank you for the wonderful job that you and your company did on the construction of my new dental clinic in Wexford. The finished job was first class, well constructed and superbly finished and my patients have been very impressed with the quality of the build.

Your personal involvement and commitment to the project made everything stress free for me as well as your prompt correction of any snags.

I wish you and your company every success in the future and I wouldn't hesitate to recommend you to anybody who has a project like mine to do.

Yours sincerely

Dr Robin Foyle
